Lodging Information

We are excited to host you for this retreat at the Xenia Center in Bowen Island. Xenia is a 38-acre Sanctuary in the heart of Bowen Island, one hour from downtown Vancouver and 90 minutes from our international airport. It is surrounded by hundreds of acres of protected government forests and lakes. It is a place of safety and beauty. It is a place to heal, to rest, to play and to discover one's true nature and inherent gifts.

Below you will find information regarding the types of accommodation available as well as the prices.

VERY IMPORTANT

To book your Lodging and Meal Package, please wait until you have received confirmation from your registration with the ANFT and only then contact Ronna at ronna@forestfix.ca.

IMPORTANT

Prices are listed in Canadian dollars and include all taxes.

All prices are per person and include accommodation AND vegetarian meals for the duration of the retreat, starting with dinner on the 20th of May and finishing with breakfast on the 25th May. Our final dinner together will include wild salmon.

HOW TO PAY?

In Canada, we commonly send money through bank e-transfers. They're free and take just a few seconds to send. If you're outside of Canada, this might not be an option for you. In this case, transferring money through wise.com is a good option.

In previous years, participants attending our programs have said that this has been a fairly straightforward and reasonable option. To use this, Ronna will need to pass along her bank account details. Please let us know if you wish to use wise.com so that these details can be provided to you.

You're welcome to use a different payment service, but please ensure that the payment is in Canadian dollars. For wire transfers (that are not done using wise.com), please add CDN \$15.00 to cover the cost associated with receiving these in Canada
